

Initial cubes

White cube ×6

Yellow cube ×4

Red cube ×3

1. [Act]

Draw 5 or more cubes from the bag.

2. [Danger]

Overdrawing

If you draw 3 Red cubes, you have overdrawn.

3. [Move]

Count the number of cubes you have drawn and advance.

4. [Effect]

Use Fuji cards. (Optional. No limit to the number of cards used.)

5. [Discovery]

Draw a Fuji card from the deck.

6. [Crisis]

Overdrawing

Discard all the cards.

If the total value of your Fuji cards reaches 7, you have overdrawn.

7. [Determination]

"Act Again"

or

"Do Not Act Again"

Put all the cubes back into the bag except for:
· Yellow and Red cubes on your summary sheet, and
· Transparent cubes placed on Fuji cards.

Place transparent cubes (from the Pagoda) on Fuji cards.

Move your player token.

End your turn.
